3rd Greek Summer School - 2010

The Greek Summer School is funded by the State Scholarship Foundation - IKY, as an Erasmus Intensive Programme (Erasmus IP)

Furthermore, we are grateful to the following contributors:

- The Society for Conservation Biology for offering an annual grant to students, annual membership and access to Conservation Biology
- The traditional settlement "Ætospitimas" in Papingo, providing the conference room.
- The traditional settlement "ÆRupicapra villas" in Papingo, hosting our students at low prices.
- The Prefecture of Ioannina for offering a lunch
- The Municipality of Central Zagori for offering a traditional lunch in Monodentri village

2nd Greek Summer School - 2009

We are grateful to the following sponsors and contributors:

- The Hellenic Ministry for the Environment, Physical Planning and Public Works, as the main donor supporting the Greek Summer School.
- The Prefecture of Ioannina for offering a lunch with traditional specialties in Papingo
- The Mayor and the Municipality of Central Zagori for offering a traditional lunch in Monodentri village.
- The Members of the European Section of the Society for Conservation Biology (SCB-Europe) volunteering to teach.
- The scientists from the University of Ioannina, and the Center of Biological & Cultural Diversity volunteering to hold the field sessions.
- The Laboratory of Ecology & Biodiversity Conservation (Dep. of Environmental & Natural Resources Management of University of Ioannina) and the Center of Biological & Cultural Diversity for providing equipment and web site hosting.
