

Announcement of Participants

3rd GSS- 2010

Dear Students,

On behalf of the organizing committee of the Erasmus Intensive programme "Conservation Biology in Europe: building a coherent strategy for the future", I am pleased to announce the participants to the third Greek Summer School. I wish to thank you all for your applications and your real willingness to take part in our international summer class! I also wish you all to follow a fascinating career in conservation biology! We will do our best to organize GSS on a permanent basis and to give you the chance to take part next year.

Dr. Vassiliki Kati

Chair of Erasmus IP
